News from your local coop to keep you connected. November 2021

Emergency Broadband Benefit

The Federal Communications Commission has launched a temporary program to help families and households struggling to afford Internet service during the COVID-19 pandemic. The Emergency Broadband Benefit provides a discount of up to $50 per month toward broadband service for eligible households and up to $75 per month for households on qualifying Tribal lands. Eligible households can also receive a one-time discount of up to $100 to purchase a tablet from participating providers.

Eligible households can enroll using an online or mail in application. We have more information and a link to apply on our website at www.yourlocal.coop/emergency-broadband-benefit-1.

Ready to delete your springgrove.coop email address?

If you have transitioned to your new email address and no longer use your springgrove.coop email, please let us know and we can delete it for you.

If you need help creating a new email address, please give us a call or stop in and we can help you set one up.

We plan to have all @springgrove.coop email accounts disabled by the end of the year.

2022 Directory Photo Contest

It's time to show off your photography skills! Submit a photo that was taken in our service area for a chance to receive $50 in Spring Grove Dollars AND be on the cover of our 2022 Directory! Check out our website or stop in the office for complete details on how to submit your photo.

Our office will be closed November 25th and November 26th for Thanksgiving.

Thank you!

Thank you to all who attended our Coop Month Customer Appreciation Drive Thru! The weather may not have been the best for an ice cream float, but we still had many who stopped by. We had a lot of fun and it was great to see everyone and visit. We appreciate you all! #CoopStrong

Meet Juan!

Some of you may have already met Juan, our newest computer repair technician and network specialist. Juan has been with Harmony Telephone and Spring Grove Communications since June. He has always liked working with technology devices and enjoys helping customers use theirs!

Some of the things Juan can help you with are:

- New email setup and transferring of emails
- Virus and malware removal
- New device setup
- Computer upgrades & clean up
- Ordering a new computer or laptop
- Computer repair
