September 2021

## Back to School!

No matter what age the students are in your home, it can be a struggle to keep them focused on their schoolwork. Although we may not be able to help with all distractions, one we can help with is the use of video games and social media sites. Parental Controls can be set up with SGC Whole Home Wi-Fi, giving you control of when devices on your home network can access the internet. Help your students start out the school year right, call us TODAY to set up Parental Controls on your SGC Whole Home Wi-Fi.

## Partnership

You should have received a letter in August mentioning our partnership with Harmony Telephone Company and MiBroadband. You may start to notice some new names, faces and voices when contacting our office and when a technician visits your home or business. The vehicles our technicians drive will also have multiple logos on them to clearly identify who we are and our partnership.

When paying your bill online using SmartHub you will notice the login page will look a bit different and include several logos - Spring Grove Communications, Harmony Telephone and MiBroadband.

We are excited to enhance our operations and continue to provide great customer service to our members.

## Trade-In & Trade-Up

Our calendar is filling up fast! Call today to trade-in your sluggish router for a Whole Home Wi-Fi router and get 1 month free as well as a chance to win an Amazon Echo Dot!

## Office Closed

Please note our office will be closed Monday, September 6th for Labor Day. If you have any service affecting issues please call us at 498-3456 and leave a message for our on-call technician.

# WHAT IS YOUR VISION FOR OUR COMMUNITY? SPRING GROVE 2030 WANTS TO KNOW!

spring grove  
**2030**

## WHAT IS SPRING GROVE 2030?

An initiative led by volunteers from the school, local government, businesses, faith communities, nonprofits, & more, to determine:

- What does Spring Grove look like in 2030?
- How can we make downtown more vibrant?
- What do the school & community need to serve students & attract families?
- How can we create more places for us to connect?

## WHY DID SG2030 FORM?

Local partners noticed shared goals to:

- Provide quality amenities for students and the community
- Support local nonprofits, events, and initiatives
- Help businesses find space to grow

## WHAT'S NEXT?

Upcoming workshops:

## HOW CAN I GET INVOLVED?

- Return exploratory survey below to Spring Grove Communications, or via QR code
- Visit [springgrovemn.com/spring-grove-2030](http://springgrovemn.com/spring-grove-2030) to register for upcoming workshops (you can also register by phone - see below)
