News from your local coop to keep you connected.

April 2022

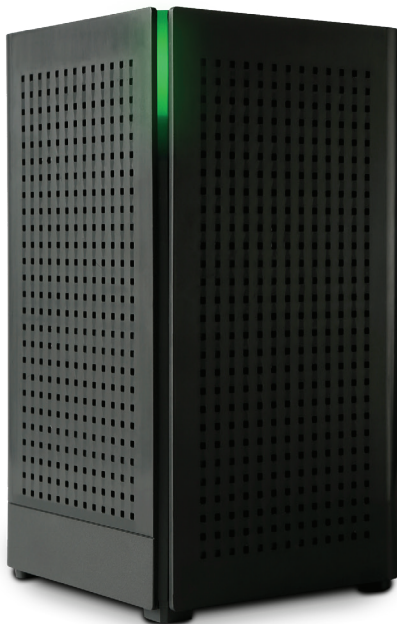

Router Performance

At the beginning of the year we released higher internet speed packages - is your router capable of handling those speeds?

The fact is, all routers are not created equal. If your router is even just a few years old, it's out of date. And that means you are not getting the most out of the new wireless devices you've invested in, which are designed to work best when they're using the latest Wi-Fi technology. It also means you may not be getting your money's worth from your Internet service, because your old router is preventing you from getting the speed and performance you're paying for.

Make sure you are getting the most out of your internet by upgrading to a new router that can handle those speeds and get you the best Wi-Fi experience.

We have new routers available, just give us a call and we will take care of the rest for you!

- Wi-Fi 6 Capability (the latest and greatest in Wi-Fi technology)
- Whole Home Coverage
- Parental Controls & Virus Protection
- A free app to view & manage your network from anywhere

Round Up Program

A friendly reminder that you can join our Power of Change program! With this program you can choose to have your SGC bill rounded up to the nearest dollar. Money collected through this program will be given back to community events and projects - making Spring Grove even better! To be included, call us at 498-3456!

Campaign Winners

Congratulations to Bjorn and Amanda Rud who were the winners of our Spread the Love Campaign! They will receive one year of Whole Home Wi-Fi FREE! The Rud family will also enjoy Wi-Fi coverage in every room of their home and with the CommandIQ app they will be able to control their home network and manage their devices.

Call Before You Dig!

Privacy Notice

Spring Grove Communications respects your privacy and observes the privacy rules established by the Federal Communications Commission. SGC will never sell your account information or provide details of your telephone calls to other parties, unless required by law enforcement. From time to time, we would like to notify you of additional products available from us outside the existing business relationship we have with you. However, you have the right to be excluded from these marketing campaigns. If it is acceptable to receive information about additional products and services, you need to do nothing. If you prefer to be excluded from these marketing efforts from SGC, please complete, sign and return the form below and we will screen you from all targeted marketing programs. Your SGC services are not impacted by this notification. Please do not hesitate to call our office with any questions at 498-3456.

I have read this notice and prefer to opt out of Spring Grove Communication's marketing of products and services outside of my existing scope of service.

Closed Captioning Concerns

If you have Closed Captioning concerns on SGC-TV service, such as unintelligible or missing captions, please contact Spring Grove Communications.

To report a concern: Call 507-498-3456 or email contactus@sgc-coop.com.

National Do Not Call Registry

Stop telemarketer calls by registering your landline or cellphone number with the National Do Not Call Registry. You can do this by calling 1-888-382-1222 or by going to www.donotcall.gov. Most telemarketers should stop calling within 31 days of registering your number. If you register online you will need to provide an active email address. A confirmation email will be sent, and you need to verify your registered number. You can register up to 3 numbers at one time. If you continue to receive telemarketer calls after your number has been registered for 31 days, you can file a complaint with the FTC (Federal Trade Commission) by going to www.donotcall.gov or by calling 1-888-382-1222.
